

# ▶ Does rubbish float or sink?

| Rubbish   | I predict... | Floats | Partially floats | Sinks |
|---|--------------|--------|------------------|-------|
|    |              |        |                  |       |
|    |              |        |                  |       |
|    |              |        |                  |       |
|    |              |        |                  |       |
|    |              |        |                  |       |
|   |              |        |                  |       |
|  |              |        |                  |       |
|  |              |        |                  |       |
|  |              |        |                  |       |
|  |              |        |                  |       |
|  |              |        |                  |       |
|  |              |        |                  |       |
|  |              |        |                  |       |
